- Q3. Could you provide the NATO Stock Number for the bungee cord so that we can ensure we are using the proper material?
- A3. There is no NATO Stock Number for the bungee cord. This is a commercial product. The specifications for the bungee cord are given in the modification package at page 6 of 24 (English version) Table 1 (Elastic shock cord, commercially available).
- Q4. Will all of the fabric, shock cords, toggles and any other fabric/material required be supplied by DND?

Only the Government Supplied Materials (GSM) identified in Section 3.2 located on pages 17-18 of Annex B will be provided to the successful Bidder to complete the work identified in the Statement of Work. It will be the responsibility of the Contractor to furnish all other materials required. The specifications for all other materials are detailed in Annex C of the Request for Proposal.
- Q5. Is it possible to see a sample just to view?
- A5. An amendment will be issued in the coming days detailing how Bidders can obtain a sample for viewing purposes only. As a result the bid closing date will be extended to accommodate the viewing of samples. Details to follow shortly.
