Amendment No. 001 is raised to clarify a question as follows:

1. Question: Is the equivalent product from an alternate manufacturer considered.

Answer: As per Part 3 - Bid Preparation Instructions sub-paragraph 1.1 the clause of Equivalent Products.

2. Please note:

These Spectrum Analyzers are being procured as spare for our National Stock of this existing Spectrum Analyzer. Substitution will cause non-standardization in DND, procedure re-writes may have to be done, re-cataloguing action; and maybe it would require software re-writes to accommodate a different item. These Spectrum Analyzers are sometime connected into an automated test bench so the equivalent product would have to be able to have the same connectors output and input and would have to be compatible with the written software.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
