AMENDMENT 002

This amendment is issued in response to the following.

1. Question

There are no contractor hours on the Request for Proposal. Is this correct?

Answer:

There are no requested man-hours on the solicitation. The contractor will hire enough cleaners to service the area and meet the frequency rate. In the event they can't clean the areas or meet the requirements in the contract, the client will inspect the building and send the failed inspection to PWGSC asking for enough employees to meet the frequency rate. It is up to the contract to use the right amount of employees to service the areas to a satisfactory level.

2. Under Annex A – Requirement Section 01 11 00 – 1.7 Locations of Job Sites and Areas to be Serviced:

Delete: 1.2 MOG5 HQ (D165) 336m2

All other terms and conditions remain unchanged.
