Solicitation Amendment 001

Amendment No. 001 is being issued to provide an extension to the tender closing date and revise the solicitation as follows:

Under PART 1 - GENERAL INFORMATION, 1.2 Summary

DELETE; In its entirety.

INSERT:

1.2 Summary

Public Works and Government Services Canada (PWGSC), on behalf of the Port Hope Area Initiative Management Office (PHAI-MO), requires the services of a Consultant to develop Detailed Work Plans (DWPs) for completion, by others, of intrusive soil investigations to determine the presence/absence of Low Level Radioactive Waste (LLRW) at approximately 137 road allowance locations as part of the Small Scale Sites (SSS) component of the Port Hope Area Initiative (PHAI). Work regarding these sites will include completion of Historical File Reviews (HFRs), Property Surveys, Gamma Radiation Surveys and Utility Mapping, to aid in the development of the DWPs. Approximately thirty-seven (37) additional locations in the Municipality of Port Hope (MPH), giving a base total of approximately 174 sites, currently require a reduced scope (Property Surveys and Gamma Surveys) for work planning, documentation and/or due diligence purposes, since elevated gamma radiation and LLRW is not anticipated for these locations. The period of the contract will be from Contract Award until July 31, 2016.

As per the Integrity Provisions under section 01 of Standard Instructions [2003](#) and [2004](#), bidders must provide a list of all owners and/or Directors and other associated information as required. Refer to section [4.21](#) of the *Supply Manual* for additional information on the Integrity Provisions.

For services requirements, Bidders must provide the required information as detailed in article 2.3 of Part 2 of *the bid solicitation*, in order to comply with Treasury Board policies and directives on contracts awarded to former public servants.

The requirement is subject to the provisions of the World Trade Organization Agreement on Government Procurement (WTO-AGP), the North American Free Trade Agreement (NAFTA), and the Agreement on Internal Trade (AIT).

The Federal Contractors Program (FCP) for employment equity applies to this procurement; see Part 5 - Certifications, Part 7 - Resulting Contract Clauses and the annex titled [Federal Contractors Program for Employment Equity - Certification](#).
