This amendment 012 is raised to:

- 1) Questions and Answers
- 2) Update the calculation of the total of remanufactured in compliancy for Quebec Region.

Questions and Answers:

- Q1. Lexmark price list the compliancy for Quebec does not have the correct column indicated. The total of remanufactured in Compliancy , the Quebec Region should be column AB, however the price list is indicating Column Z which is Pacific.
- A1. The revised Annex H – Electronic Financial Offer Template (EFOT) has updated the formula for the calculation of total of remanufactured in compliancy for Quebec Region.
- Q2. I am just wondering if we really need to join the last amendment in our bid since ours has already been sent. If that amendment doesn't change our financial offer, can we just leave our bid that way without sending the amendment no 11?
- A2. If the amendment no. 11 & 12 do not change your financial offer, you do not have to resend me the whole bid document and those two amendments.
