This Solicitation Amendment No. Six (6) is raised to include the following addendum no. 6.

The following addendum to the tender documents is effective immediately. This addendum shall form part of the contract documents.

All other terms and conditions remain the same.

Addendum 6.

1. QUESTIONS AND ANSWERS

Q1. Have the watercourse alteration permits been applied for and obtained for the watercourse culvert replacements? If so are there any conditions of approval outside the normal environmental measures to be taken? Would it be possible to provide the watercourse alteration permits?

A1. Watercourse alteration permits are not required for this project. All work inside a Federal Park must be in accordance with the National Parks Act. Refer to Specification sections; 01 35 43 ENVIRONMENTAL PROCEDURES, 35 42 19 PRESERVATION OF WATER COURSES AND WETLANDS and Appendix A – EA Screening/ Environmental Control Plan, in their entirety.

Q2. Please verify that the intent for the Granular Sub-Base and Granular Base materials is that they be made from quarried crushed rock, not crushed gravel.

A2. The Granular Base and Sub base are to be produced from a quarried rock

Q3. The Tender form shows a lump sum item, with N/A in the price. However, in Section 01 29 00, item 1.2.1 it states “All items in this contract will be paid for by cost included in the unit prices and one Lump Sum Payment for costs not include in these items.” Please clarify if we are to use the Lump Sum Payment

A3. In the Specifications, section 01 29 00, delete clause 1.2.1 and replace with new clause 1.2.1 to read:

“1.1 All items in this contract will be paid for by cost included in the unit price table.”

The section showing LUMP SUM under Appendix 1 in the Tender Form remains Not Applicable.

2. DRAWINGS

ADD the attached new drawing, numbered A01 and titled BAFFLE NOTCH DIMENSIONS / DE DÉFLECTEUR.

Revise the Specifications and Drawing indices accordingly to reflect revisions made by this addendum.

3. ENQUIRIES DURING THE SOLICITATION PERIOD

Please be advised that all enquiries are to be submitted no later than **14:00 hours, May 28, 2015.**
