This amendment is issued to reflect the following.

1. Bid Closing Date

Delete: June 1, 2015 2:00 pm ADT

Insert: June 9, 2015 2:00 pm ADT

2. Under Annex "B" Basis of Payment

Delete: In its entirety

Insert: The following

ANNEX B - BASIS OF PAYMENT

1.0 General Instructions

Bidders must provide a firm unit price in Canadian dollars, the Goods and Services Tax or the Harmonized Sales Tax excluded. Should the resulting contract have to be reduced due to a building or section no longer requiring cleaning services (either due to down-sizing or demolition, etc.), the contract may be reduced by the cost per month to the end of the contract period. This would be done in writing by the Contracting Officer.

The Financial Evaluation Total will be used for evaluation purposes only and does not represent a commitment on the part of Canada.

2.0 Consumer Price Index

At the time of the exercise of option years 1 and 2, the rates for the previous year in the Basis of Payment (Annex B) will be increased or decreased by multiplying the rates by the percentage change in *"The Consumer Price Index, major components, selected sub-groups and special aggregates, provinces, Whitehorse and Yellowknife, not seasonally adjusted"* ("CPI") for the appropriate province for the 12 month period ending two months before the expiration date of the current period of the contract. The CPI which shall be used is published in Statistics Canada Catalogue no. 62-001-X, tables 9-1 to 9-12, for the appropriate province all-items CPI of the period as described above.

Consumer Price Index for Canada is published by Statistics Canada and is available at:

- <http://www5.statcan.gc.ca/bsolc/olc-cel/olc-cel?catno=62-001-X&chropg=1&lang=eng>; or

- <http://cansim2.statcan.ca>, Table 326-0020.

3.0 Detailed Instructions

The Basis of Payment contains FOUR (4) tables, one for each contract year, and one for each of the two (2) option years. The first two (2) year tables (tables 1 and 2) do not allow for any escalation of prices beyond those submitted in your bid. The rates for option years 1 and 2 will be adjusted to respond to changes in the labour rates using the Consumer Price Index. In order to accommodate those future adjustments, please follow the instructions below when filling out your price proposals.

- 3.1 The unit pricing must comprise the furnishing of all labour, materials, tools, equipment and transportation necessary for complete and satisfactory janitorial services as specified herein.
- 3.2 The financial proposal must include a unit price for all items for each of the four years.
- 3.3 Prices provided for all items in option years 1 and 2 must be the same as those provided in year 2. The pricing for option years 1 and 2 will be adjusted to reflect price increases or decreases (beyond the original quoted prices) using the Consumer Price Index.

Example: After the first two (2) years:

The prices (unit rates) shown in year 2 will be adjusted prior to contract amendment award for the two remaining option years, option year 1 and option year 2. The amount of the adjustment will be based on a percentage increase (decrease) of the current year's price using the "Unadjusted CPI for Nova Scotia" (Consumer Price Index) for the 12 months ending August 31 of that year.

Year two unit rate for unscheduled work is \$10.00 per hour. The CPI as of August 31, 2015 is 3.9%.

$10.00 \times 3.9\% = 0.39$. Therefore, the unit rate for unscheduled work for option year 1 will be \$10.39.

Option year 1 unit rate for unscheduled work is \$10.39 per hour. The CPI as of August 31, 2016 is 2.8%. $\$10.39 \times 2.8\% = 0.29$. Therefore, the unit rate for unscheduled work for option year two will be \$10.68.
