

PART 1 - GENERAL

- |                                     |    |  |
|-------------------------------------|----|--|
| <u>1.1 Section Includes</u>         | .1 | Construction aids.   |
|                                     | .2 | Office and sheds.  |
|                                     | .3 | Parking.   |
|                                     | .4 | Project identification.  |
| <u>1.2 Precedence</u>               | .1 | For Federal Government projects, Division 1 Sections take precedence over technical specification sections in other Divisions of this Project Manual.  |
| <u>1.3 Related Sections</u>         | .1 | Section 01 56 00 - Temporary Barriers and Enclosures.  |
| <u>1.4 References</u>               | .1 | Canadian General Standards Board (CGSB)<br>.1 CGSB 1-GP-189M-84, Primer, Alkyd, Wood, Exterior.<br>.2 CGSB 1.59-97, Alkyd Exterior Gloss Enamel.   |
|                                     | .2 | Canadian Standards Association (CSA International)<br>.1 CAN3-A23.1-/A23.2-94, Concrete Materials and Methods for Concrete Construction/Method of Test for Concrete.<br>.2 CSA-0121-M1978, Douglas Fir Plywood.<br>.3 CAN/CSA-Z321-96, Signs and Symbols for the Occupational Environment. |
| <u>1.5 Installation and Removal</u> | .1 | Provide construction facilities in order to execute work expeditiously.  |
|                                     | .2 | Remove from site all such work after use.  |
| <u>1.6 Site Storage/Loading</u>     | .1 | Confine work and operations of employees by Contract Documents. Do not unreasonably encumber premises with materials.  |
|                                     | .2 | Do not load or permit to load any part of Work   |
-

with a weight or force that will endanger the Work or adjacent areas.

1.7 Construction  
Parking

- .1 Parking will be limited to Contractor's vehicles and equipment required to carry out work only. Parking of private vehicle is not permitted on site. Parking will not disrupt performance of Work or the flow of traffic for the general public.
- .2 Provide and maintain adequate access to project site.
- .3 Build and maintain temporary access as required where indicated or directed by Departmental Representative. Provide snow removal during period of Work if required.
- .4 If authorized to use existing roads for access to project site, maintain such roads for duration of Contract and make good damage resulting from Contractors' use of roads.
