This amendment 002 is raised to provide a response to a supplier enquiry. The question and response are provided as follows:

**Question:** Please confirm whether a Section V, in the “Bid Preparation Instructions” needs to be submitted to address the information requirements in section “Part 1 - General Information, 2. Requirement” and “Part 5 - Certifications”.?

**Response:** The bidder is free to provide the required information attached to an introductory letter or you may submit a section V if you wish.

=====

**Question:** For the electrical work, does it have to be done by unionized organization (309A) or is a non-unionized organization acceptable?

**Response:** There are no restrictions between union and non-union trades on GOC projects this is the contractors choice.

=====

**Question:** Are there any restrictions for working hours?

**Response:** There are few restrictions on working hours. Work that creates loud noise in areas close to inmate quarters will have to be conducted between 0700 and 2300, noise restrictions between 2300 and 0700 will apply as per most municipal ordinances. Contractors can schedule and work days/evening and weekends if they choose.

=====

All clauses and conditions remain unchanged.
