Amendment #6 to follow:

Solicitation Amendment 6 SBIPS Refresh EN537-05IT01/I – Period 2

A : MODIFICATION

None

B: QUESTIONS AND ANSWERS

Q: 18

We are an Existing SBIPS holder who is simply adding one new stream. We will complete CPSS (EN537-05IT01/H -Period 2-EN537-05IT01/I) due on June 3rd 2015. We wanted to confirm if we should submit a grandfather certification by mail along with the supplier's statement? Also when certification is mailed, we refer to which solicitation? EN537-05IT01/H -Period 2, or EN537-05IT01/H -Period 2-EN537-05IT01/I (Due June 3rd 2015), or EN537-05IT01/I

A.18

No, the grandfather certification is not required during a refresh. This is required during the re-complete process. Please note the next submission dates are June 1, 2015 and July 24, 2015.

Q: 19

Regarding the Mandatory Criteria for the Technical bid on the SBIPS RFSA, due July 24, 2015:

M.3f End Date: Each of the three projects submitted must have been completed within the last three (3) years prior to the RFSA submission due date. The end date of the project must fall within the three-year period.

If one of the Project References is a multi-year Contract, with renewable Option Periods that may be granted (or that are currently on-going), are potential suppliers allowed to use the years that are already completed (by the RFSA Submission date as per m.3f), towards the dollar value listed in m.3b?

A.19

If the solution submitted has not been delivered or the solution is on-going, then the project reference will not meet all mandatory criteria under M.3. However, we cannot determine compliancy of a project until the evaluation stage and compliancy is dependent the information provided at the time of arrangement submission.

Q: 20

Can we improve upon this qualification and achieve Tier 2 Status if we meet all compliant requirements and exceed \$6000000 in revenue as per compliant criteria.

A.20

If an existing Tier 1 SBIPS SA holder wishes to change their status to a Tier 2 SBIPS SA Holder they must meet all mandatory criteria at the Tier 2 level, including providing projects for M.3 that meet or exceed \$6,000,000.

Q: 21

How long does the qualification stand in place before we have to requalify? Is the term a Year Term, 2 Year term, 3 plus years...?

A.21

Existing SA holders do not re-qualify for streams already awarded under their SBIPS SA. As stated in the RFSA document “The period begins from the date of issuance as stated on page 1 of the SA and ends with the award of the next re-compete process.” If an existing SA Holder does not wish to change anything within their current SA, but wishes to maintain their SA, they must submit the completed and signed grandfather clause during the next re-compete process.
