RFSO 1000168668

AMENDMENT NO. 1

Delete at page 19 under M3 - 3.2 Scenario Response : Database Tasks

c) Completed datasets **MUST** be provided in a Summation compatible format, which includes Excel, as long as the excluded characters and other restrictions outlined in Appendix B are adhered to. **If AANDC is unable to load the file into Summation the Bidder will not meet this requirement, and the Bidder's Proposal will be given no further consideration.**

Replace with:

c) Completed datasets **MUST** be provided in a Summation compatible format, which includes Excel, as long as the excluded characters and other restrictions outlined in Appendix B are adhered to. **An additional hard copy printout of the datasets must be provided. If a database fails to load, AANDC will contact the bidder to request a new dataset.**

Delete at page 61, Appendix "A", Scenario the following:

This database MUST be provided to the client in a Summation and/or Ringtail compatible format. This may be in excel format as long as the excluded characters and other restrictions outlined in APPENDIX B are adhered to. **IF THE CLIENT IS UNABLE TO LOAD THE FILE INTO SUMMATION THE BIDDER WILL AUTOMATICALLY FAIL THIS SECTION.**

Replace with:

This database MUST be provided to the client in a Summation and/or Ringtail compatible format. This may be in excel format as long as the excluded characters and other restrictions outlined in APPENDIX B are adhered to. **An additional hard copy printout of the datasets must be provided. If a database fails to load, AANDC will contact the bidder to request a new dataset.**
