This Solicitation Amendment 004 is raised to amend the Invitation To Tender (ITT) document and to respond to questions from potential bidders.

All other terms and conditions remain unchanged.

Revisions:

On Page 77 of the Invitation To Tender (ITT) document, BID AND ACCEPTANCE FORM (BA):

DELETE:**BA06 CONSTRUCTION TIME**

- Mobilization and start of construction at EGD Work Site – not before 31 July 2015
- Substantial completion of work for Departmental Representative final inspection and identification of corrective actions (as necessary) – 16 May 2016
- Contract completion: 13 June 2016

INSERT:**BA06 CONSTRUCTION TIME**

- Mobilization and start of construction at EGD Work Site – not before **31 July 2015**. This is contingent upon Contractor's submittal, and Departmental Representative's acceptance, of pre-construction submittals. Pre-construction submittals must be complete and meet all requirements of the Specifications and Contract Documents.
- Substantial completion of work for Departmental Representative final inspection and identification of corrective actions (as necessary): **15 June 2016**
- Contract completion: **15 July 2016**

Questions and Answers:**Question 1.**

For the work site visit in the afternoon, will there again be an opportunity to see and inspect under the dock? At the last meeting there were three opportunities at different viewing access points and lighting was provided. We just want to confirm if the plan is the same.

Also, would consideration be given to starting the morning meeting at 10:00AM to allow some additional time buffer to get to the meeting from Schwartz Bay on the 7:00-8:35AM ferry?

Response 1.

The Mandatory Site Visit will include an opportunity to view underneath the deck of the South Jetty (at two locations, one on the foreshore and one on the catwalk), with lighting and commentary provided by PWGSC personnel.

The start time for the Mandatory Bidder's Conference and for the Mandatory Site Visit will not be changed.
