

**Q&A Set #4**

**REOI 2015-01- Managed IT Hosting, Application Development, Maintenance and Support Services**

1. Appendix A, requirement M3 - The requirement requests experience that totals 60 months within the past 120 months. Please confirm that the proposed 5 client references are cumulative to total at least 60 months of experience within the past 120 months from the date of the REOI closing.

A. Yes, that is the correct interpretation. The sum of the years of experience provided in the 5 client references must total at least 60 months within the last 120 months at the date of the REOI closing. For organization experience, overlapping experience timelines are permitted and the time is treated as cumulative.

2. Will CMHC reconsider an extension to the closing date/time?

A. CMHC appreciates the level of effort required for vendors to respond to this REOI. In order to respect our timelines and provide vendors with more time, CMHC is extending the closing date and time until NOON (EDT) Friday June 12, 2015.
