This solicitation amendment has been raised to modify the Request For a Standing Offer and to answer questions asked by potential bidders during the tendering period.

Question:

In the Statement of Work, section 2.2.3 sub 2 it states during work must be able to respond within one hour. Is this from the point of call up against the standing offer? What is meant by 'respond'? Does that meant the contractor is to be on site? And is there an option to have this amended to 4 hours?

Answer:

Yes, the contractor is to be present on site one hour from time of call-up. This time limit will not be changed.

If the answers to the questions affects your offer, you must forward an updated copy of your offer to the Bid Receiving Unit by closing date and time indicated on the front of the solicitation document.

If you have any further questions please forward them to the Standing Offer Authority in accordance with Part 2 - Instructions to Offerors, Section 3 - Enquiries - Request for Standing Offers contained within the solicitation document.

All other terms and conditions of the Request For a Standing Offer remain unchanged.
