Amendment 2

This amendment is issued to answer questions from a bidder.

- Q1.** The plan shows a winding road to the left side of the plan and a 'future equestrian area' on the top of that area. Can you clarify if this is part of this job?
- A1.** The future equestrian area is not in the scope of this project.
- Q2.** It is not clear what --if any-- gravels are to be used beneath the new asphalt. It appears that the assumption is there are sufficient existing gravels under the asphalt to support the new parking lot paving.
- A2.** Yes, the area to be paved is an existing gravel parking lot that needs no other materials brought in prior to paving. It was constructed after the 2013 flood to highway standards. The base is excellent.

All other terms and conditions remain unchanged.
