- 2.1 Agriculture and Agri-Food Canada will only consider Proposals which accept Agriculture and Agri-Food Canada's terms and conditions.
- 2.2 The General Conditions attached in Appendix A and those set out in Part 3 of this RFP shall form part of any Resulting Contract.

- 3.1 The cost to prepare the Proposal will not be reimbursed by Agriculture and Agri-Food Canada.

- 4.1 All enquiries or issues concerning this solicitation must be submitted in writing to the Contracting Authority named at Part 3, section 5 of the RFP. It is the responsibility of the Bidder to obtain clarification of the requirements contained herein, if necessary prior to submitting a proposal.

- 4.6 Bidders shall not place any conditions or make any assumptions that attempt to limit or otherwise modify the scope of Work pursuant to the Statement of Work (Appendix B)

5.0 RIGHTS OF CANADA

- 5.1 Canada reserves the right to:
 - 1. Accept any Proposal in whole or in part, without prior negotiation;
 - 2. Reject any or all Proposals received in response to this RFP;
 - 3. Cancel and/or re-issue this RFP at any time;
 - 4. Ask the Bidder to substantiate any claim made in the Proposal;
 - 5. Enter into negotiations with one or more Bidders on any or all aspects of their Proposals;
 - 6. Award one or more Contracts;
 - 7. Retain all Proposals submitted in response to this RFP.

6.0 SUBSTANTIATION OF PROFESSIONAL SERVICES RATES

- 6.1 In Canada's experience, bidders will from time to time propose prices at the time of bidding that they later refuse to honour, on the basis that these prices do not allow them to recover their own costs and/or make a profit. When evaluating the prices for professional services bid, Canada may, but will have no obligation to, require price support for any prices proposed. Examples of price support that Canada would consider satisfactory include:

- 1. documentation (such as billing records) that shows that the Bidder has recently provided and invoiced another customer (with whom the Bidder deals at arm's length) for services similar to the services that would be provided under a resulting contract, and the fees charged are equal to or less than the price offered to Canada (to protect the privacy of the customer, the Bidder may black out the customer's name and personal information on the invoice submitted to Canada);
- 2. a signed contract between the Bidder and an individual qualified (based on the qualifications described in this bid solicitation) to provide services under a resulting contract where the amount payable under that contract by the Bidder to the resource is equal to or less than the price bid;
- 3. a signed contract with a subcontractor who will perform the work under any resulting contract, which provides that the required services will be provided at a price that is equal to or less than the price bid; or
- 4. details regarding the salary paid to and benefits provided to the individuals employed by the Bidder to provide services, where the amount of compensation, when converted to a per diem or hourly rate (as applicable), is equal to or less than the rate bid for that resource category.

Once Canada requests substantiation of the prices bid, it is the sole responsibility of the Bidder to submit information (either the information described in the

examples above, or other information that demonstrates that it will be able to recover its own costs based on the prices it has proposed) that will allow Canada to determine whether it can rely, with confidence, on the Bidder's ability to provide the required services at the prices bid, while, at a minimum, recovering its own costs. Where Canada determines that the information provided by the Bidder does not demonstrate the Bidder's ability to recover its own costs in providing the prices bid, Canada may, at their sole discretion declare the bid non-compliant.

7.0 MANDATORY CLAUSES

7.1 Where the words “**must**”, “**shall**” or “**will**” appear in this RFP, the clause is to be considered as a mandatory requirement.

8.0 DEBRIEFING

9.0 OFFICE OF THE PROCUREMENT OMBUDSMAN

If you have issues or concerns regarding the solicitation, you have the option of raising them with the department or with the Office of the Procurement Ombudsman (OPO). You have the option of raising issues or concerns regarding the solicitation, or the award resulting from it, with the OPO by contacting them by telephone at 1-866-734-5169 or by e-mail at boa.opo@boa.opo.gc.ca. You can also obtain more information on the OPO services available to you at their website at www.opo-boa.gc.ca.

10.0 OPTIONAL SITE VISIT

It is recommended that the Bidder or a representative of the Bidder visit the work site. Arrangements have been made for a tour of the work site. **The site visit will be held at the Horticulture Research and Development Centre located at 430 Blvd. Gouin, St-Jean sur Richelieu, Qc, J3B 3E6 on June 23, 2015 @ 10:00 AM EDT.** Bidders will be requested to sign an attendance form. Bidders who do not attend or send a representative will not be given an alternative appointment but they will not be precluded from submitting a bid. Any clarifications or changes to the bid solicitation resulting from the site visit will be included as an amendment to the bid solicitation.

PART 2: PROPOSAL PREPARATION INSTRUCTIONS & EVALUATION PROCEDURES

1.0 APPLICABLE LAWS

- 1.1 The Contract shall be interpreted and governed, and the relations between the parties, determined by the laws in force in the Province of Québec
- 1.2 In their bid submission, bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their proposal, by deleting the Canadian province specified in the previous paragraph and inserting the Canadian province or territory of their choice. If no change is made, the bidder acknowledges the applicable law specified is acceptable to the Bidder.

2.0 SUBMISSION OF PROPOSAL

- 2.1 Proposals must be submitted in hard copy as described in Article 3.0.

Due to the nature of this RFP electronic transmission of proposal by such means as electronic mail or facsimile to the Department of Agriculture and Agri-Food is not considered to be practical and therefore will not be accepted.
- 2.2 The proposal **MUST** be delivered to and received by the Contracting Unit **no later than June 30, 2015 at 2:00 PM EDT**. The outside of the envelope containing the proposal should include the RFP number found on the cover page of the RFP.
- 2.4 The onus for submitting proposals on time at the specified location rests with the Bidder. It is the Bidder's responsibility to ensure correct delivery of their proposal to the Contracting Authority.
- 2.5 The Bidders are advised that, due to security measures for building visitors, arrangements should be made in advance with the Contracting Authority for any planned in-person delivery of a proposal. Failure to do so may result in late receipt of a proposal.
- 2.6 Proposals submitted in response to this RFP will not be returned.

3.0 PROPOSAL PREPARATION INSTRUCTIONS

- 3.1 The proposal **must** be structured in **THREE SEPARATE ENVELOPES** as indicated below:

Section 1	Technical Proposal (with no reference to price)	1 original hard copy and 1 copy
Section 2	Financial Proposal	1 original hard copy
Section 3	Certifications	1 original hard copy

3.2 The Bidder may **submit a proposal in either official language.**

3.3 Each copy of the proposal is to include the Bidder's legal entity name, the name of the Bidder's contact, address, telephone number, facsimile number, email address and the RFP Number.

4.0 **PREPARATION OF TECHNICAL PROPOSAL (Section 1)**

4.1 In the Technical Proposal, the Bidder should demonstrate its understanding of the requirements of the **Statement of Work Appendix "B"**, as well as demonstrate how the Bidder will meet the requirements of the **Evaluation Procedures and Criteria Appendix "D"**.

5.0 **PREPARATION OF FINANCIAL PROPOSAL (Section 2)**

In the Financial Proposal, the Bidder shall provide two firm all inclusive prices (one price for each of the two phases) to provide the services requested in accordance with the Statement of Work **Appendix B**.

Prices shall not appear in any area of the proposal except in the Financial Proposal.

5.1 The Bidder may revise his/her tender by facsimile, or email, provided it is received before the RFP Closing Time. Any change resulting in an increase in the RFP price must be supported by a suitable increase in the security deposit.

However, any indication of price modification shall not reveal the amount of the original or the revised total price. Price modifications should only include the amount of the increase or decrease of the bid. Any indication of the old or the new total price will get the Proposal discarded automatically.

6.0 **CERTIFICATION REQUIREMENTS (Section 3)**

In order to be awarded a contract, the certifications attached **in Appendix "E"** will be required. The certifications should be submitted with the proposal. Canada may declare a bid non-responsive if the certifications are not submitted or completed as required. Where Canada intends to reject a proposal pursuant to this paragraph, the Contracting Authority will so inform the Bidder and provide the Bidder with a time frame within which to meet the requirement. Failure to comply with the request of the Contracting Authority and meet the requirement within that time frame period will render the proposal non-responsive.

Compliance with the certifications the Bidder provides to Canada is subject to verification by Canada. The Contracting Authority shall have the right to ask for additional information to verify that the Bidder is compliant with the applicable certifications before and after award of a contract. Any certification made by the

Bidder that is determined to be untrue, whether made knowingly or unknowingly, or any failure to comply with the certifications or comply with the request of the Contracting Authority for additional information, will render the bid non-responsive.

7.0 EVALUATION PROCEDURES

- 7.1 Proposals will be evaluated in accordance with the Evaluation Procedures and Criteria specified **in Appendix D**. Proposals received will be compared separately against the evaluation criteria identified therein for the total requirement described in this RFP and in conjunction with the accompanying Statement of Work (**Appendix B**).

APPENDIX B STATEMENT OF WORK

1.1 Purpose of document

The purpose of this statement of work is to provide an overview of the project and of the services that the Consultant is expected to provide throughout the project, and to describe the content and format of project deliverables.

1.2 Project specifics

1.2.1 **Background**

The roof of roof sections n^{os} 12 and 13 of HRDC Main Building date back to the original construction in 1985. They have reached the end of their useful life and must now be replaced (Roof sections n^{os} 12 and 13 surface area: $\pm 240 \text{ m}^2$).

A recent thermography of roof sections n^{os} 7 and 8, replaced in 2001, showed signs of humidity over approximately half of its surface (Roof sections n^{os} 7 and 8 surface area: $\pm 145 \text{ m}^2$). The roof of these sections must be replaced to avoid any water infiltration into the building. Furthermore, the access shelter of this roof section shows signs of weakness with regards to its watertightness. The shelter could be the cause of some of the infiltrations mentioned above. For this reason, it is recommended to refurbish it.

In a way to correct these problems, a mandate to prepare plans and specifications and to partially supervise the work shall be given to an architect. The re-roofing works will be performed by a contractor belonging to the Association des maîtres couvreurs du Québec by the end of the fall of 2015.

1.2.2 **Project objectives**

The mandate objectives are to:

- 1) Prepare plans and specifications to issue a call for tenders for the re-roofing of roof sections n^{os} 7, 8, 12 et 13 of HRDC Main Building and once a contractor has been selected, monitor the work.

1.2.3 **Standards**

The roofing system design must comply with the standards and codes below, as well as all applicable regulations in effect.

**APPENDIX D
EVALUATION PROCEDURES & CRITERIA**

1.0 METHOD OF SELECTION – HIGHEST COMBINED SCORE OF TECHNICAL MERIT AND PRICE

- 1.1 The evaluation process is designed to identify the most qualified contractor to provide services as stipulated in the Statement of Work (Appendix B).
- 1.2 This section comprises the detailed Proposal requirements that will be used to evaluate Bidders' responses to the RFP.
- 1.3 The mandatory requirements under section 2.0 will be evaluated on a compliant/non-compliant basis. The Proposals must include the necessary documentation to demonstrate this compliance.
- 1.4 The selection of the responsive Proposal will be made on the basis of the **HIGHEST COMBINED SCORE** for both the technical and financial proposals. The combined scores will be determined by adding the technical and financial points obtained.

The Bidders' Technical and Financial proposals will be scored separately. An Overall Proposal Score will be determined by combining a Bidder's Technical Proposal Score and Financial Proposal Score in accordance with the following weights:

Technical Proposal = 60%
Financial Proposal = 40%

Overall Proposal = 100%

Formula:

$$\frac{\text{Technical Score} \times \text{Ratio}}{\text{Max Points}} + \frac{\text{Lowest Price} \times \text{Ratio}}{\text{Bidder's Price}} = \text{Overall Score}$$

Example if weighting was 70% / 30% :

<i>Highest Combined Rating Technical Merit (70%) and Price (30%)</i>			
<i>Calculation</i>	<i>Technical Points</i>	<i>Price Points</i>	<i>Total Points</i>
Proposal 1 - Tech = 88/100 - Price = \$60,000	$\frac{88 \times 70}{100} = 61.6$	$\frac{*50 \times 30}{60} = 25$	= 86.6

Proposal 2 - Tech = 86/100 - Price - \$55,000	$\frac{86 \times 70}{100} = 60.2$	$\frac{*50 \times 30}{55} = 27.27$	= 87.47
Proposal 3 - Tech = 76/100 - Price = \$50,000	$\frac{76 \times 70}{100} = 53.2$	$\frac{*50 \times 30}{50} = 30$	= 83.2
<i>* Represents the lowest priced proposal Bidder 2 is successful with the highest combined rating of 87.47</i>			

1.5 To be considered Responsive, a Proposal Must:

- 1- Meet all the mandatory requirements specified in section 2.0 below;
- 2- Achieve the minimum number of points identified on each criterion.

1.6 The price of the Proposal will be evaluated in CANADIAN DOLLARS, Applicable Taxes excluded, FOB destination for goods/services, Customs Duties and Excise Taxes included.

1.7 Failure of a Proposal to provide information in sufficient detail and depth to permit evaluation against the identified criteria may render a Proposal non-responsive. **All Bidders are advised that only listing experience without providing any supporting data to describe where and how such experience was obtained will not be considered to be “demonstrated” for the purpose of the evaluation. All professional experience must be fully demonstrated in the Proposal (i.e., dates, number of years and months of experience).**

1.8 The Bidders acknowledge and agree that Canada is not responsible to search for, and therefore evaluate, information that is not properly referenced or is not otherwise provided in accordance with the Proposal Preparation Instructions in Part 2, Article 3.0.

1.9 Bidders shall not place any conditions or make any assumptions that attempt to limit or otherwise modify the scope of Work pursuant to the Statement of Work (Appendix B).
