QUESTION/ANSWER - SOLICITATION # 15-0005

This Solicitation Addendum No. 01 is raised to address:

Question #1

In regards to the location of work; the requirement mentions that remote work would be accepted when appropriate. Can you provide further clarification on that? i.e. Could the resource(s) work 100% off site for this contract?

Answer

There will be the occasional requirement to conduct work activities at the Calgary office for short periods of time i.e. up to five days; however, this is based on specific and activity project requirements.

Question #2

Please confirm whether the daily rate includes travel?
Further to my question, would the crown set aside a separate travel allowance to reduce the advantage of local vendors?

Answer

Daily rate is determined by the bidder. No travel expenses will be paid to the contractor outside the daily rate as per page 29 of the RFP 7.8 *Payment - ii Estimated cost* and first paragraph of page 45 *Proposed Bidder Per Diem Tables*.
