Reference:

Annex A – Statement of Work (SOW)

Question #001:

With regards to solicitation # K3D33-141144/B on page 35, Section 134 it states that EC will provide and install weather stations at the site(s). Will EC be drawing upon its current inventory of weather station for this or will a request for proposals be issued sometime in the future?

Answer #001:

The provision and installation of the weather station described in page 35 of SOW, section 134, is not part of the Canadian Weather Radar Replacement Solution (CWRRS). Canada will determine the timeline and procurement strategy for the weather stations base on the procurement schedule of weather radar systems.
