This Clarification forms part of the Contract Documents and is to be read, interpreted, and coordinated with all other parts. The cost of all contained herein is to be included in the Contract Sum. The following is to clarify the information contained in the original drawings and specifications issued for the above-named project to the extent referenced and shall become part thereof.

This clarification consists of 1 page.

QUESTIONS AND CLARIFICATIONS:

1. **Question:**

Looking for details on type of window film and the meaning of one and two layers of film

Answer:

This is typical vinyl window film used in office glass to afford privacy. This pattern shown on A-2 of the drawings indicates a "frost or sand blast" vinyl film on the doors with clear glass cross bars and a diagonal line with the more opaque film (double layer) on the top and the more transparent film (one layer) on the bottom
