This amendment 001 is raised to provide a response to a supplier enquiry. The question and response are provided as follows:

Question: Is this RFP ONLY for “The work includes the supply, install, test and provide of maintenance training on the CCTV system as described in the Statement of Technical Requirements (Electronic Attachment #1) to be delivered by September 30, 2015.”

Response: The RFP is for “the full door control system as described in the document (21120-166580_eng):

The Correctional Service of Canada (CSC) has a requirement for the replacement, upgrade or augmentation of the existing Door, Lighting and Power Control Systems in Living Units 50, 51, 52, 57, 58 and the Regional Reception Center building 5 at Springhill Institution. The Springhill Institution is a medium security institution. Work will have to be accomplished with minimum disruption to the daily operation and security of the institution. The work includes the design, supply, installation, testing and provision of operational and technical training on the replacement, upgrade or augmentation of the existing Door, Lighting and Power Control Systems as described in the Statement of Technical Requirements (STR) (Refer to electronic Attachment #1). There is a security requirement associated with this requirement. For additional information, see Part 6 -Security, Financial and Other Requirements, and Part 7 - Resulting Contract Clauses.

With a delivery date of 30 weeks from contract award.

All other terms and conditions remain unchanged.
