Q1:

Confirm that this is a design and supply project only. This would assume CCG or other will be installing the new tower and antenna system and installation by supplier is not is not part of this RFQ? We are finding headings indicating design and supply, but the specification is asking for onsite foreman qualifications under tender submissions?

A1:

This contract is for Design and Supply ONLY of a 33.5m guyed MF tower. Installation will be completed by CCG or other contractor at a later date.

Delete:

Section 01300 Submittals (2.1 b) should be corrected to delete reference to a site foreman.
