Amendment 005

This amendment is raised to answer questions from bidders.

- Q.25 Do you want the Offerors to outline the internal process for this work when completing the SO or is the expectation that we will be offering the services according to the Statement of Work listed in Annex A Pages 28 – 32 and no written response is required?
- A.25 No written response is required for the internal process. As stated in the Request for Standing Offer (RFSO), the Offeror will demonstrate its experience in MT1 and MT2.
- Q.26 When completing Attachment 2 to part 4 with respect to the MT2 Table if we have completed 150 Ergonomic Assessments for one client organization in the last 3 years do we just include just this one organization or do you require us to list the individual patients/clients involved?
- A.26 As stated in the RFSO, the Offeror must demonstrate that it has the completed 150 ergonomic assessments and must provide a contact for each of the assessments (whether they are the person being assessed or their supervisor or the person who signed the call-up) for references purposes.
- Q.27 Are Appendix 1 "Measurement Worksheet" page 1 – 6 and Appendix 2 "Office Ergonomic Hazard Identification" page 1 – 5 for the Offeror's information only or do you require us to complete a hypothetical case as part of the SO and to recreate the template as it is not fillable on the PDF?
- A.27 No. Appendix 1 and 2 are not required for the RFSO evaluation purposes. These are to be completed for the Ergonomic Assessments.

(i.e. Quality Assurance measures such as correct use of forms, appropriate completion of forms). If so, can you please detail this process?
