Notice: This addendum shall form part of the tender documents and all conditions shall apply and be read in conjunction with the original plans and specifications.		Nota: Cet addenda fait partie intégrale des dossiers d'appel d'offres; toutes les conditions énoncées doivent être lues et appliquées en conjonction avec les plans et les devis originaux.

Q1 : Is the contractor responsible to provide traffic protection for the equipment specified on drawing E4350 (Block house electrical LV outdoor equipment layout)?

A1: No it is not the contractors responsibility to provide traffic protection for the equipment.

Q2: Is it the contractors responsibility to disconnect the power feed in the machine shop that supplies the blockhouse when the new feed is connected?

A2: No the NRC will do that

Q3: Is it the contractors responsibility to remove the existing pole that the current equipment is mounted on at the CART compound after the new equipment is installed?

A3: No the NRC will do that at a later date
