### Enquiries - Bid Solicitation - Clause # 2.3

To ensure consistency and quality of information provided to bidders, significant enquiries received and the replies to such enquiries will be provided simultaneously to bidders to which the bid solicitation has been sent, without revealing the sources of the enquiries.

Here is one question which we have received until now:

**Question 1:** Do we have any idea how long it will take to award the contract on this tender? My concern is the closing date is July 28 at 2:00 pm, the last boat leaves the port mid September. This does not give much time to order a machine from factory to meet your needs.

**Answer 1:** **Except for the training and warranty site, throughout the RFP where it is indicated the destination to Kuujjuaq Airport, please replace the destination as follows:**

**delete:** ~~**Kuujjuaq Airport**~~

**insert:** **Transport Canada  
700, place Leigh Caperol  
Dorval, Quebec, H4Y 1G7**

**Warranty:** **Notice that even if the delivery address is changed, the warranty will apply to the place of use of the equipment, at the Kuujjuaq airport.**

**Training:** **Training must also be given at Kuujjuaq airport no later than by September 30, 2016. Written notice of at least 3 weeks will be given to the Contractor to be ready to provide training at Kuujjuaq airport.**

All other terms and conditions of the solicitation remain the same.
