

AMENDMENT 1

Project Title: Annual Testing and Inspection of the Backflow Preventers
Central Experimental Farm (CEF), Ottawa (Ontario)

Solicitation No: 15-2022

July 8, 2015

Amendment 1 is raised to do the following:

- Revise the Statement of Work; and
- Answer questions from bidders (Q&A).

1. At Appendix B “Statement of Work”, Article 3 “Scope of Work”:

Insert: 3.4 All backflow preventers must be tested and inspected before September 30 for the contract year (2015) and all subsequent option year(s), if exercised.

Q&A

Q1. Is there a list of the specific dates the backflow preventers are to be tested?

A1. No. All backflow preventers must be tested and inspected by September 30.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
