Amendment 007

This amendment is raised to answer question(s) from bidder(s).

Q. 46 As it relates to the Mandatory Technical Criteria MT2 page 15 of 39....How do we demonstrate that we have provided 150 office ergonomic assessments within the last 3 years? Do we indicate the number of assessment we have done for our client organizations when completing the table MT2 (page 15 of 39) under the # column or is this verified when the references are contacted?

A. 46 Please refer to amendment 005 answer # 26.

Q. 47 Do the subcontractors have to have their own DOS or is the requirement that as long as we (the company on the standing offer list) has the DOS, then the subcontractors do not have to have their own DOS?

R. 47 The Contractor/Offeror must at all times during the performance of the Contract/Standing Offer, hold a valid Designated Organization Screening (DOS). For more information on subcontracting security see the link below :
