

Q&A #2

Statements of account for Citizenship and Immigration Canada's immigration loans.

CIC - 143731

Q3. "Would you consider extending the closing date by one week"

A3. Citizenship and Immigration Canada will not be extending the closing date. Closing date remains July 29th, 2015 at 14:00 Eastern Daylight Time (EDT).

Q4. "It is customary for agreements entered into for the type of services required by Solicitation number CIC-143371 (titled "Statements of Account" for Citizenship and Immigration Canada's immigration loan program) to include a limitation on the liability of the selected bidder, both with respect to party-to-party liability and third party claims, with standards exceptions. In order to ensure the greatest number of potential bidders and the submission by such bidders of a robust proposal, does CIC agree to include an industry standard limit of liability, which may be expressed as a fraction of total contract value or as a function of payments made by the CIC to the selected bidder within a stipulated period of time?"

A4. No, CIC does not have the authority to limit the Liability.
