bondable and WCB compliant**

**Little Red River
Forestry Ltd.**
Corporate Profile

**Land and Resource
Management Services**

**Proudly owned and operated by
Little Red River Cree Nation**

Forestry Management

ASKEE DEVELOPMENT CORPORATION

Through our Economic Development Corporation, Askee Development Corporation, Little Red River Cree Nation manages and oversees both coniferous and deciduous timber quotas for Forest Management Unit F-23.

Our professional team works to obtain maximum value for our asset and plans and implements related silviculture activities. During peak season, our forestry operations employ upwards of 150 First Nation members and other subcontractors through our tree planting and stand tending activities.

Tradition meets innovation

BALANCING TRADITIONAL ECONOMY AND LEADING EDGE CONSTRUCTION

Little Red River Membership are very active with traditional activities—utilizing nature’s resources wherever possible to support their families.

It is the commitment of LRRF to **empower** community members with the necessary skills to achieve success in today’s world.

Our skilled workers, equipment operators and industrial technicians are well-trained, committed to safety and finish each job—efficiently and on time.

LITTLE RED RIVER FORESTRY LTD.
WORKING FOR YOU!

“OUR COMMITMENT is to provide timely and effective project management, utilizing all available resources to complete projects from start to finish—on schedule, to client specification, and on budget.”

Safety and environment

Little Red River Forestry Ltd. implements the highest safety standards—placing our employees’ health and environmental considerations at the top of our project planning goals.

The objective is to provide our clients with a fully trained, safe and productive workforce, ensuring job quality and environmentally responsible work without incident and maintaining the health, safety and wellbeing of our employees.

As our corporate operations continue to expand, so to does our commitment to safe work practices and HSE focus. Our corporate operations conduct timely and regular safety audits and our ground teams are certified appropriately and implement Field Level Risk Assessments prior to the start of any task or when conditions change.

At Little Red River Forestry Ltd.
Safety is Key!
