AMENDMENT #006

The intent of this amendment is to answer questions from potential bidders and revise some areas of the Request for Proposal document.

To allow bidders more time, Amendment #006 is being raised to change the closing date of this solicitation as follows:

Refer: Closing Date/Time

Delete: In its Entirety

Insert: Closing Date/Time

Solicitation Closes at - 02:00 PM, 07 August 2015

Q1. I am writing to advise that the Controlled Goods Directorate has announced that they will impose a fee schedule for all holders of a Controlled Goods certificate depending on the holder's status as an individual, sole proprietor or incorporated business. This fee schedule will directly impact my costing of my submitted bid. My query, will I be able to amend my financial bid at such a time as the proposed fee schedule is imposed?

A1. Reference: <http://iss-ssi.pwgsc-tpsgc.gc.ca/dmc-cgd/consultations/faqs-eng.html#faq1.7>

PWGSC has developed a three-tier annual fee structure:

Tier	Description	Proposed Annual Fee
Sole Proprietors/ Individuals	Business (or consultant) with 1 individual	\$690
Small Businesses	Business with up to 99 employees	\$920
Medium/Large Businesses	Business with 100 or more employees	\$2,230

Bidders must incorporate the proposed fees into their pricing which will be factored into the evaluation procedures.

If the fees are imposed, the Contractor will be reimbursed at cost with no allowance for profit and/or administrative overhead. A copy of the fee invoice must be submitted with the invoice and all payments are subject to government audit.

If the actual fee differs from the proposed fee published in this amendment, the Contractor must advise the Contracting Authority who will issue a formal amendment to adjust the value of the fees in Pricing Basis B to match the actual fees charged.

Further details regarding consultations on the introduction of a new user fee for Controlled Goods Program registrants can be found here: <http://iss-ssi.pwgsc-tpsgc.gc.ca/dmc-cgd/consultations/frais-fee-eng.html>

Q2. Please refer to Section 4.1.4 – Contract Period on page #15 of the RFP. Would the Crown consider modifying the contract and option periods pricing tables to allow the Bidder to provide separate all inclusive per diem rate for each proposed resource, rather than providing one single per diem rate for each category?

A2. The client agrees with the proposed revision. PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION, 4.1.4 and Annex B have been amended.

Q3. Please refer to Section 4.1.1.1 Mandatory Technical Criteria, Mandatory Requirement #8 (M8) requesting that the Bidder provide one (1) separate reference for each proposed resource. In the previous RFP (i.e. W0125-09Q416/B) this requirement was deleted in its entirety.

Given that the precedent was set in the former RFP, would the Crown consider removing M8 in its entirety?

A3. The client agrees with the proposed revision. Part 4, 4.1.1.1, M8 has been deleted.

Pricing Basis "B": Annual Fee for Controlled Goods Program

\$_____ per year

#2d. Within: 4.1.5 Evaluation of Price

Delete: The price of the bid will be evaluated in Canadian dollars. Cost will be evaluated on the total requirement (Contract period and any applicable option period to extend, using all-inclusive per diem rate and the number of **estimated days** per contract year as stated in 4.1.4. Each Contract Year Price will be calculated by multiplying the firm per diem rates by the estimated number of days, for each contract year.

Insert: Cost will be evaluated on the total requirement.

Pricing Basis "A" will be calculated by multiplying the firm per diem rates by the estimated number of days, for each period. The total from each period will added together.

Pricing Basis "B": The annual fee for Controlled Goods Program will be multiplied by 6.

Pricing Basis "A" and "B" will be added together, resulting in an evaluated price.
