Description of the Requirement:

Health Canada (HC) / Public Health Agency of Canada (PHAC) - Corporate Services Branch (CSB), in conjunction with Security Management Division of the Real Property and Security Directorate (RPSD), requires a Senior Project Manager to assist and manage a major and other minor capital projects.

HC requires the services of a Senior Project Manager to manage the delivery of a multi-million dollar, national level project, for the planning and implementation of a Networked Closed Circuit Video System, and ideally has experience with the TBS Gating Process for project management.

This resource may also be required to provide assistance and management of other, smaller- scale capital projects.

All these projects are security-focused with a strong IT component.

In addition, this bid solicitation is being issued to satisfy the requirement of Health Canada/Public Health Agency of Canada for the provision of Task and Solutions Professional Services. It is intended to result in the award of one (1) contract for a period of eight (8) months, plus one (1) option year allowing Canada to extend the term of the contract.
