Question 1

- A) Due to the duration it could take to receive both security clearance designations Secret and Document Safeguarding Secret, is it possible that Canada, can change their request so that the proponent can have applied for the 2 designations by close of the RFP and must have the two designations by start of construction?
- B) Can the close of the RFP be extended by one month?

Response 1

- A) No, Canada can not change the security request for this requirement.
- B) An extension of one month to the closing date is not granted.
