In compliance with the requirements of Chapter 12 - Economic Measures, of the Sahtu Dene and Metis Comprehensive Land Claim Agreement, the following conditions shall apply in the award of any Contract resulting from this solicitation:

### **Contractor Selection**

Any contract resulting from this solicitation will be awarded to the responsive bidder whose total assessed bid price is the lowest. In order to be considered responsive, a bid must satisfy all mandatory terms, conditions, and specifications of this solicitation document. The total assessed bid price will be used for evaluation purposes only and will be calculated by reducing the total actual bid price by a percentage equal to the total number of points assigned through evaluation of the bid in accordance with the Sahtu Dene and Metis Comprehensive Land Claim Agreement.

### **Opportunities and Considerations**

For the portion of the work specifically undertaken in the Sahtu settlement area, bids will be evaluated and allocated a range of points in accordance with the degree to which the Bidder's proposed method of carrying out the work meets the objectives of the following criteria.

In this requirement "Sahtu Representations" will allow for up to a maximum of 10% downward adjustment to a proponent's price, for evaluation purposes only, in accordance with the following Bid Criteria. This provides for socioeconomic benefits in the region.

BID CRITERIA	TOTAL AVAILABLE POINTS
(a) the existence or creation of head offices, administrative offices or other facilities in the Sahtu settlement area.	2 Points
(b) the (i) employment of participants labour, (ii) engagement of participants professional services, or (iii) use of suppliers that are participants or Sahtu Dene and Metis firms in carrying out the contract.	i) 2 Points ii) 1 Points iii) 2 Points
(c) the undertaking of commitments, under the contract, with respect to on-the-job training or skills development for the participants.	3 Points
<b>TOTAL POSSIBLE POINTS</b>	<b>10 Points</b>

For purposes of interpretation:

"Participant" is as defined in Chapter 2 (Definitions) of the Sahtu Dene and Metis Comprehensive Land Claim Agreement.

"Sahtu settlement area" comprises the area within the Northwest Territories as described in Appendix A of the Sahtu Dene and Metis Comprehensive Land Claim Agreement.

"Sahtu Dene and Metis firms" means an entity which complies with the legal requirements to carry on a business in the area and which is a limited company with at least 51 % of the company's voting shares beneficially owned by participants, or is a cooperative controlled by participants, or is a participants' sole proprietorship or partnership.

"deliveries to" means "goods delivered to, and services performed in".

**Evaluation and Assessment - Submission Requirements**

In order for a bid to be assigned points for representations made in respect of any criterion (hereinafter collectively referred to as the "Sahtu Representations"), appropriately documented evidence of conformance with the stated objective of the criterion must be provided with the tender submission.

The Minister reserves the right to verify any information provided in the "Sahtu Representations" and that untrue statements may result in the tender being declared non-responsive.

**Treatment of Representations and Warranties**

The Bidder acknowledges that:

- a) the Minister relies upon the "Sahtu Representations" to evaluate bids; and
- b) the "Sahtu Representations" shall become covenants under any contract(s) resulting from this solicitation.

**SDMCLCA - Notification**

The benefits that apply to this procurement are contained in: Section 12, Sahtu Dene and Metis Comprehensive Land Claim Agreement (SDMCLCA), clauses:

- 12.2.1 Where government carries out public activities in the settlement area which give rise to employment or other economic opportunities and government elects to enter into contracts with respect to those activities:

- (a) the Government of Canada contracting procedures and approaches intended to maximize local and regional employment and business opportunities, including the provision of opportunities for potential contractors to become familiar with bidding systems, or
- (b) the Government of the Northwest Territories preferential contracting policies, procedures and approaches intended to maximize local, regional and northern employment and business opportunities shall be followed respectively by Canada or the Government of the Northwest Territories.

## SI10 PUBLIC WORKS AND GOVERNMENT SERVICES CANADA APPRENTICE PROCUREMENT INITIATIVE

1. To encourage employers to participate in apprenticeship training, Contractors bidding on construction and maintenance contracts by Public Works and Government Services Canada (PWGSC) are being asked to sign a voluntary certification, signaling their commitment to hire and train apprentices.
2. Canada is facing skills shortages across various sectors and regions, especially in the skilled trades. Equipping Canadians with skills and training is a shared responsibility. In Economic Action Plan (EAP) 2013, the Government of Canada made a commitment to support the use of apprentices in federal construction and maintenance contracts. Contractors have an important role in supporting apprentices through hiring and training and are encouraged to certify that they are providing opportunities to apprentices as part of doing business with the Government of Canada.
3. Through the Economic Action Plan 2013 and support for training programs, the Government of Canada is encouraging apprenticeships and careers in the skilled trades. In addition, the government offers a tax credit to employers to encourage them to hire apprentices. Information on this tax measure administered by the Canada Revenue Agency can be found at: [www.cra-arc.gc.ca](http://www.cra-arc.gc.ca). Employers are also encouraged to find out what additional information and supports are available from their respective provincial or territorial jurisdiction.
4. Signed certifications (Appendix 2) will be used to better understand contractor use of apprentices on Government of Canada maintenance and construction contracts and may inform future policy and program development.
5. The Contractor hereby certifies the following:

In order to help meet demand for skilled trades people, the Contractor agrees to use, and require its subcontractors to use, reasonable commercial efforts to hire and train registered apprentices, to strive to fully utilize allowable apprenticeship ratios \* and to respect any hiring requirements prescribed by provincial or territorial statutes

The Contractor hereby consents to this information being collected and held by PWGSC, and Employment and Social Development Canada to support work to gather data on the hiring and training of apprentices in federal construction and maintenance contracts.

To support this initiative, a voluntary certification signaling the Contractor's commitment to hire and train apprentices is available at Appendix 2.

If you accept fill out and sign Appendix 2.

*\* The journey person-apprentice ratio is defined as the number of qualified/certified journeypersons that an employer must employ in a designated trade or occupation in order to be eligible to register an apprentice as determined by provincial/territorial (P/T) legislation, regulation, policy directive or by law issued by the responsible authority or agency.*
