- 9.1 Notwithstanding anything contained in the Contract, the Minister may, at any time prior to the completion of the Work, by giving notice to the Contractor (termination notice), terminate the Contract as regards all or any part of the Work not completed. - 9.5 In the procuring of materials and parts required for the performance of the Contract and in

the subcontracting of any of the Work, the Contractor shall, unless otherwise authorized by the Minister, place purchase orders and subcontracts on terms that will enable the Contractor to terminate the same upon terms and conditions similar in effect to those provided in this section, and generally, the Contractor shall co-operate with the Minister and do everything reasonably within its power at all times to minimize the amount of Canada's obligations in the event of a termination under this section.

- 9.6 The Contractor shall have no claim for damages, compensation, loss of profit, allowance or otherwise by reason of, or directly or indirectly arising out of, any action taken or termination notice given by the Minister under this section, except to the extent that this section expressly provides.

10.1.2 the Contractor fails to perform any of its obligations under the Contract, or in the Minister's view, so fails to make progress as to endanger performance of the Contract in accordance with its terms.

- 10.2 If the Minister terminates the Work in whole or in part under this section, the Minister may arrange, upon such terms and conditions and in such manner as the Minister deems appropriate, for the Work to be completed that was so terminated, and the Contractor shall be liable to the Minister for any excess costs including additional costs relating to the completion of the Work.

- 10.3 Upon termination of the Work under subsection 10.1 the Minister may require the Contractor to deliver and transfer title to the Minister, in the manner and to the extent directed by the Minister, in any finished Work which has not been delivered and accepted prior to such termination and in any materials or work-in-process which the Contractor has specifically acquired or produced for the fulfilment of the Contract. The Minister shall pay the Contractor for all such finished Work delivered pursuant to such direction and accepted by the Minister, the cost to the Contractor of such finished Work plus the proportionate part of any fee fixed by the Contract and shall pay or reimburse the Contractor the fair and reasonable cost to the Contractor of all materials or work-in-process delivered to the Minister pursuant to such direction. The Minister may withhold from the amounts due to the Contractor such sums as the Minister determines to be necessary to protect the Minister against excess costs for the completion of the Work.

- 10.4 The Contractor shall not be entitled to be reimbursed any amount which, taken together with any amounts paid or becoming due to the Contractor under the Contract, exceeds the Contract price applicable to the Work or the particular part thereof.
- 10.5 If after the Minister issues a notice of termination under 10.1, it is determined by the Minister that the default of the Contractor is due to causes beyond the control of the Contractor, such notice of termination shall be deemed to have been issued pursuant to 9.1 and the rights and obligations of the parties hereto shall be governed by section 9.

11. RECORDS TO BE KEPT BY CONTRACTOR

- 11.1 The Contractor shall keep accounts, invoices, receipts, vouchers, records and all other documents of the cost of the Work and of all expenditures or commitments in a manner and to the extent sufficient for audit purposes to the satisfaction of the Minister. - 11.2 The Contractor shall provide facilities for audit and inspection purposes and shall provide the Minister with such information as requested by the Minister for those purposes.
- 11.3 The Contractor shall not dispose of any such accounts, invoices, receipts, vouchers, records or other documents without the prior written consent of the Minister and shall preserve and keep them available for audit and inspection by the Minister to his satisfaction, for a six (6) year period plus current year, following completion, termination or suspension of the Work.

Should an interest be acquired during the life of the contract that would cause a conflict of interest or seem to cause a departure from the principles, the Contractor shall declare it immediately to the Minister.

- 12.3 It is a term of this contract that any persons engaged in the course of this contract and subsequent to it shall conduct themselves in manner such that there is not and will not be any conflict arising from competing or opposing interests of other clients of the Contractor.
