Question 1:	<p>Looking over the RFP for Ceremonial Guard, I was surprised to see the 24 hour turnaround requirement. Given the variety and depth of the instrument list, making that turnaround time mandatory during parade season is onerous to say the least.</p> <p>Given the number of backup instruments the band has available, there is no real reason for this requirement.</p> <p>Would DND consider removing this requirement?</p>	Wed 2015-05-Aug 10:14 AM
Answer 1:	No, DND will not remove this requirement.	Thurs 2015-06-Aug 10:00 AM
