Note: Questions may have been modified and/or condensed.

Questions and Answers

Q1. Can PWGSC make available a Microsoft Word version of the "Form 2 – Substantiation of Technical Compliance Form"?

A1. Bidders may request, in an email to the Contracting Authority no later than 10 calendar days before the bid closing date, a Microsoft Word version of the "Form 2 – Substantiation of Technical Compliance Form" or any other forms under the RFP solicitation package.

While every effort will be made to ensure the supplied Microsoft Word version is current and reflects subsequent amendments, Canada will not be responsible for any discrepancies between the supplied Microsoft Word version and the solicitation document, as amended and published on the Government Electronic Tendering Service (GETS).

If there are any discrepancies between the supplied Microsoft Word version and the solicitation document, as amended and published on GETS, the solicitation document, as amended and published on GETS, will have priority over the supplied Microsoft Word version.

All other terms and conditions remain the same.
