### 1 Evaluation procedures and Criteria, Article 2.0 – Mandatory requirements

DELETE

- 2.1 Bidders must fill all Certifications Requirements (FORM A, FORM B and FORM C). If any of the forms forming part of the RFP are not applicable, the Bidders should nonetheless complete the forms as "Not Applicable".
- 2.2 Bidders must be specializing in building automation systems and should be located within a 1 hour radius of the AAFC site so that they can respond to emergency repairs to the building controls system in case of unforeseen breakdowns. Due to the complexity of the ventilation system and the dependence of the research facility on its continuous operation a response time of less than 1 hour is required.
- 2.3 Bidders must include the list of the proposed certified technicians as well as their training certificates
