1.2 Summary

Procurement Strategy for Aboriginal Business (PSAB). To supply the 2016 models of Yamaha, Mercury, Mercury Mercruiser, Evinrude, Volvo Penta, Honda and Suzuki brands of outboard motors, inboard motors and stern drives with their parts and accessories from Aboriginal Businesses to government departments, agencies and Crown corporations for deliveries across Canada, except areas subject to Comprehensive Land Claims Agreements (CLCAs), on an as-and-when requested basis. In addition, standing offers will be issued to Original Equipment Manufacturers which will be for deliveries across Canada, except areas subject to CLCAs. The requirement does not contain servicing, installation, or repair and overhaul. In the event a client requires outboard motors to be delivered in CLCA area, this procurement will be treated as a separate requirement outside the standing offer.

The period of the standing offer will be from date of standing offer to 31 August 2016.

Last year, there was one call-up against these standing offers under the Procurement Strategy for Aboriginal Business (PSAB).

The evaluation requires the aboriginal business to be listed with PSAB and an authorized dealer of the Original Equipment Manufacturer brand of outboard motors, inboard motors and stern drives and will be selected based on lowest compliant price for each of the categories A, B, C, D, E and F. The evaluated price of a category will be the sum of all models 2016 of a brand.

This procurement is set aside under the federal government Procurement Strategy for Aboriginal Business. For more information on Aboriginal business requirements of the Set-aside Program for Aboriginal Business, see [Annex 9.4](#) of the *Supply Manual*.

This procurement is set aside from the international trade agreements under the provision each has for set-asides for small and minority businesses.

Further to Article 1802 of the Agreement on Internal Trade (AIT), AIT does not apply to this procurement.

1.3 Debriefings

Offerors may request a debriefing on the results of the request for standing offers process. Offerors should make the request to the Standing Offer Authority within 15 working days of receipt of the results of the request for standing offers process. The debriefing may be in writing, by telephone or in person.

PART 2 - OFFEROR INSTRUCTIONS

2.1 Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the Request for Standing Offers (RFSO) by number, date and title are set out in the [Standard Acquisition Clauses and Conditions Manual](#) (<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) issued by Public Works and Government Services Canada.

Offerors who submit an offer agree to be bound by the instructions, clauses and conditions of the RFSO and accept the clauses and conditions of the Standing Offer and resulting contract(s).

The [2006](#) (2015-07-03) Standard Instructions - Request for Standing Offers - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the RFSO.

2.2 Submission of Offers

Offers must be submitted only to Public Works and Government Services Canada (PWGSC) Bid Receiving Unit by the date, time and place indicated on page 1 of the Request for Standing Offers.

2.3 Enquiries - Request for Standing Offers

All enquiries must be submitted in writing to the Standing Offer Authority no later than four (4) calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by Offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that Offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Offerors. Enquiries not submitted in a form that can be distributed to all Offerors may not be answered by Canada.

2.4 Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Offerors.
