Title
Directional Signage Installation, Waterton Lakes National Park, AB

This amendment is raised to amend Annex A – Statement of Work; specifically Sec. 2.1 Installation:

Delete:

2.1 Installation:

- The contractor will supply all necessary labour, posts, material and expertise to coordinate and complete the siting, engineering, locates, engineering drawings and installation of sign panels as per the Alberta Highway Standard specific to Waterton Lakes National Park (see also -Waterton sign specs provided), mobilization, demobilization, boulder removal, travel to and from Waterton Lakes National Park, cleanup, removal and disposal of all signs not required in the area, and all associated work pertaining to highway signs structures.
- All necessary hardware for affixing signs posts will be supplied by the contractor.
- Contractor will remove and dispose of at an appropriate /designated facility old signs from structures and from the park.
- All installation will be done according to current Alberta building codes as per the Alberta Highway Standard specific to Waterton Lakes National Park (see included Waterton sign specs), able to withstand prolonged periods of high winds (gusts in excess of 150 kph) with a minimum of disruption to visitors, to vegetation and road surfaces and in an aesthetically pleasing manner.
- See attached diagrams of each of the signs.
