This amendment is raised to provide responses to the questions received from the industry and to provide additional information related to the Certification validity period.

Q-1:

In Appendix 1, p-r, you state that "The amount represented in this field must be lower than the amount for the same line item in Column O...Q". Since o is the "price per pack", we can't sell a box of 10 packs for less than the price of only 1 pack.

A-1:

The price per pack (open box) at column O is the highest allowable unit price for a line item and it includes consideration for the fact that only part of a box is being purchased. Consequently, pricing for larger volumes or complete boxes must be lower.

Q-2:

In Appendix 1, p-r, you state that "The amount represented in this field must be lower than the amount for the same line item in Column O...Q". Our system can't handle multiple prices for the same sku, can you change this to be price must be less than or equal to?

A-2:

Each line item must have a unique SKU as per instructions at Appendix 1, paragraph 4 n) Offeror unique SKU

Q-3:

Can you also confirm that only column O on the EFOT will be used to evaluate the lowest price?

A-3:

Please refer to the Evaluation methodology ranking at Section 4 Paragraph 4.1.2.3. Column O is the only column used for the financial evaluation and ranking.

Additional information - Certification validity periods

PEFC: The certificate is usually valid for a period of three years. Claimants will be required to submit forests to an annual verification audit to ensure that operations continue to comply with requirements.

FSC: The certificate is valid for five years as long as compliance with the FSC forest management standard (FSC-STD-20-001) is maintained.

SFI: Full recertification audits are required: for forest management and fiber sourcing certificates, every three years; and for chain-of-custody certificates, every five years.

UL(E)-2771 (EcoLogo): License validity requires an ongoing relationship with UL Environment and License certificates can be verified online.

All other terms and conditions remain the same
