TITLE: To Provide Out-Service Training for Department of National Defence, Canadian Forces School of Military Engineering

This Amendment Number 004 is raised to make the following correction and address questions received from potential bidders:

Under Annex “A” - Statement of Work, Article 4.2 Location:

Delete: Paragraph one (1) in it's entirety

Insert:

4.2 Location

The location of instruction for all students will be within the **three (3) Maritime Provinces** (New Brunswick, Nova Scotia, Prince Edward Island). Facilities shall be located within 50 km of a Canadian Forces Base (CFB) able to provide administration and logistic support to CFSME.

Q1. The contract Annex does not list under WFE Tech any PO's past 410.07. Are their PO's with higher numbers such as 411, 412, etc.?

A1. The contract annex is accurate. Due to the new TP, OST will only instruct up to 410.07. The remainder of the TP will be taught in house (CFSME).

All other terms and conditions remain the same.
