

**RFP 87055-15-0084**  
**For Service and maintenance of Onguard/Lenel System and CCVE System**  
**Questions and answers – Set #3**

---

**Question 1:**

Can you please tell me what version of Lenel Software CNSC is on?  
We need to know this so that we can assess whether we need to bring them up to date or not.  
Also, the dongle # would be helpful so that we can get an estimate from Lenel on the annual software support costs.

**Answer 1:**

The actual version of the software is On Guard/Lenel 2010.  
The 2<sup>nd</sup> part of the question is not understood (“dongle#”).
