---

- Q1 Is there a detail on the amour Rip Rap required @ Watern Cove River Bridge? Size of Rock?
- A1 No detail is required. There is a description on the drawings – sheet C1 detail 2 and placement specifications noted in section 31 37 00 – 3.1 of the booklet specifications. The size of the Armour Rip Rap is noted in section 31 37 00 – 2.1 of booklet specifications.
- Q2 The Drook Area section of the project where we have to place Amour Rip Rap, is there is size requirement?
- A2 The size of Armour Rip Rap is noted in section 31 37 00 – 2.1 of booklet specifications.
- Q3 Will the contractor have to provide traffic control and one lane of traffic at all times?
- A3 Yes the contractor will be responsible for traffic control which should be a part of their project specific Health and Safety Risk assessment and Management Plan. It is noted in sections 01 11 00 – 1.4 and 15 60 00 - 1.5 of the booklet specifications that access to the site is to be maintained and temporary closures of the roadway is to be limited to 60 minute durations.

Q4 Which project number is corrected Project No. FP802-150131 or Project No. F6879-154001, they are both indicated in different sections of the documents and drawings?

A4 The correct Project # is **FP802-150131**, please use this Contract number.

Thank you,
