## SOLICITATION AMENDMENT #001

This solicitation amendment is raised to:

1. Address the following questions submitted during the solicitation period as per RFP;
  2. Amend Annex B: Basis of Payment
- 

### 1. QUESTIONS AND ANSWERS

Q1. Considering the volatility of Paper Raw Material and the fact that this particular component has increased at a significantly higher rate than CPI, will the contract contain a provision for price adjustment (increase or decrease) of the portion of the price specifically related to the base transaction cost of paper?

A1. RFP has been amended to reflect the applicable price index (Industrial Product Price Index - pulp and paper products) including the updated link to the current table for the IPPI Index.
