This solicitation amendment has been raised to answer to following question:

Question: In regards to Amendment No. 001 – Question and Answer #2, will you please provide us with more information on this answer. We have some concerns that this could potentially be a security risk with people able to climb it the chain link fence. We would like to see a sketch on the proposed location, size and height of the chain link gate.

Answer: This is a security item. The gate has to cover the gate opening. No drawing is needed.

All other terms and conditions of the Invitation to Tender remain unchanged.
