This amendment is raised to answer questions and make changes as follows:

Question and Answer:

Q1: It looks like the RCMP may be requesting on-site maintenance on the two units for this contract. As we are a BC Based dealership, what would the requirement be for us to provide this service? If we are not able to provide on-site maintenance would this disqualify us from the award process?

A1: No, you would not be disqualified from the award process as long as an authorized service dealer and/or agent is available and willing to travel when required to the Detachment to provide the warranty, recall, parts and /or non-warranty services within 48 hours of notification or within mutually agreed upon time frames between the Technical Authority and the Contractor. In addition, an authorized service dealer and/or agent must be identified within a radius of 500 km from Shamattawa, MB, in cases where the detachment is able to take the unit to the service centre.

This amendment is raised to revise the solicitation accordingly.

Service: Warranty service to be provided either onsite or at a service centre. Recall, Parts and/or After Sales Service must be provided within 48 hours of notification; or within mutually agreed upon time frames between the Technical Authority and the Contractor.

INSERT:

Service: Warranty and non-warranty service to be performed either onsite at the Shamattawa RCMP Detachment or at a service centre within a 500 km radius of the detachment. The Recall, Parts and/or After Sales Service work must be provided within 48 hours of notification; or within mutually agreed upon time frames between the Technical Authority and the Contractor.

DELETE :

ANNEX “C” Mandatory Technical Criteria in its entirety

INSERT:

ANNEX C

Mandatory Technical Criteria

Bidders are required to indicate whether or not they comply with the mandatory specifications. Bidders must include two (2) copies of descriptive literature of the make and model of the items offered in sufficient detail to clearly indicate compliance with each of the individual requirements in the specifications and cross reference where this specification is located within the descriptive literature.

Where weight, dimensions or other characteristics are shown as minimum or maximum, the bidder must indicate the manufacturer’s figures.

The Royal Canadian Mounted Police is under no obligation to seek clarification of the bid(s) or the supporting technical documentation provided.

Failure to meet any of the following specifications will render your proposal non-compliant and will be given no further consideration.

BIDDER MUST SUBMIT WITH THEIR BID PROOF OF BEING AN AUTHORIZED MANUFACTURER OR RESELLER FOR THE UNIT OFFERED PRIOR TO AWARD OF CONTRACT.

The following specifications must be met:

No.	Specification	Compliance		Comments(s) / Cross Reference
		Yes	No	
	Must be new, most current model year available
