**Question 1:**

For the last contractor who has provided the same service for the last RFP; could you indicate:

- a) How many hours per week the previous denturist was working?
- b) How much time the previous denturist was allotted per services/products?
  - Time for one Examination :
  - Time for one Complete upper denture :
  - Time for one Complete upper denture – immediate:
  - Etc.

**Answer 1:**

With respect to Denturist Services time is not tracked as services are not provided or paid for based on time.

Time is not allotted. Patients are brought to the clinic and when the procedure is complete they return to their unit.

The length of each procedure is determined by the Denturist.
