This amendment is to answer bidders questions:

Question 1: With reference to Solicitation # B8817-160153/B dated September 22, 2015, page 8/23 Part 4, a,b,c,d,e & f as I understand you would like to know the name and description of the synthetic paper, it's thickness manufacture name, the specification of the stick, length and thickness, printing method and the type of ink used on tyvek paper, the history and manufacturing experience of our company. Please let us know if we have missed anything.

Answer 1: Bidders must ensure that they provide all of the required information as specified in M.1.

In Annex C we have included a table which PWGSC will use to evaluate bidder's proposals. Each paragraph and bullet will be evaluated and verified that the information was provided and that it demonstrates that it meets the requirements as stated in M.1.

All other terms and conditions remain unchanged.
