

NOTICE OF PROPOSED PROCUREMENT (NPP)

Solicitation #: FP802-150146 **Closing Date:** October 16, 2015 **Time:** 14:00pm (EDT)

Invitation to Tender FP802-150146

Real Property, Safety & Security has a construction requirement for Kitimat River Hatchery's office area heating systems located in British Columbia.

Sealed, signed tenders will be received up to 14:00pm Eastern Daylight Time: Friday, October 16, 2015 for the attached services in accordance with the documents enclosed.

Please address the bid to Grace Chau.

The onus is on the bidder to ensure that the bid is delivered on time to the location designated.

The bidder is required to supply with their bid:

Bid Security

Proof of Insurance

Any tender received after the above noted time will be considered late and will be returned to the sender unopened. Tenders may be revised by email, letter or fax (613) 991-1297, provided the tender and revision(s) are both received prior to Tender Closing Time.

Nature of Work

The work covered under this project consists of all labour, material, and equipment necessary to complete the mechanical work for the Kitimat River Hatchery's Office located in British Columbia in strict accordance with Specifications and accompanying drawings and subject to all terms and conditions of the contract.

The work consists of but will is not necessarily limited to the following:

- Demolish glycol heating system and replace with electric heat pump/electric duct heater for office areas and electric heat pump/gas fired furnace for shop area. The office and shop area will each have its own air sourced heat pump.
- Demolish existing heating and cooling coils as noted on drawings. Provide new electric heating coil and allow required sheet metal scope of work to replace existing cooling coil space in the air handing unit.
- Install individual duct heaters for each room and provide a thermostat for each duct heater.
- To service and clean equipment as noted on drawings.
- Rebalance as noted on drawings to specified airflows.
- Demolish and dispose of all equipment, piping and valving attached to the existing steam heater.
- Demolish existing unit heaters serving workshop area and entrance heaters. Provide replacement unit as noted in drawings and specifications. Replace entrance heater as shown on drawings.
- Provide a complete fully tested and operating mechanical system in accordance with all applicable codes.

Location of Work, Work site and Delivery Point: Work will be carried out at the Kitimat River Hatchery, British Columbia in the location as shown on the accompanying drawings.

Start Date: Upon contract award

Completion Date: All work to be completed by March 1st, 2016

Security Requirements: No Requirement

For further project or contract information, please contact Grace Chau by email at Grace.Chau@dfo-mpo.gc.ca.

Bidders should note that all questions regarding this request for proposals must be submitted in writing, **No Later Than Thursday, October 8, 2015, 2:00 pm (14:00 Hours) EASTERN DAYLIGHT TIME** to the contract authority. The department may be unable to respond to questions submitted after that date.

Fisheries and Oceans Canada will not necessarily accept the lowest or any of the tenders received and reserves the right to reject any and all tenders received which shall be final and at the sole discretion of the Department.
