Definitions

For the purposes of this clause,

"former public servant" is any former member of a department as defined in the Financial Administration Act R.S., 1985, c. F-11, a former member of the Canadian Armed Forces or a former member of the Royal Canadian Mounted Police. A former public servant may be:

#### **4. Enquiries - Request for Standing Offers**

All enquiries must be submitted in writing to the Standing Offer Authority no later than ten (10) calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the

questions or may request that offerors do so, so that the proprietary nature of the question is eliminated, and the enquiry can be answered to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

## ANNEX "B" BASIS

### OF PAYMENT

Payment will be determined by the actual hours worked and the firm hourly rate specified in the Call-up document.

#### 1.1 Firm Hourly Rate:

Only one firm hourly rate is to be provided per classification. The prices must be an all inclusive firm hourly rate in Canadian funds including salary, overhead, profit, benefits, annual leave, sick leave, for the provision of a temporary help unilingual English speaking resource. The firm hourly rates listed in the electronic catalogue form part of this Annex B - Basis of Payment.

#### 1.2 Call-ups beyond six months:

The rate identified in the call-up, will apply for the entire period, including any amendments extending the period of the call-up.

#### 1.3 Travel and Living Expenses:

All travel and living expenses between the temporary employee's residence and the work site and/or the Offeror's premises are the sole responsibility of the temporary help employee and/or the Offeror.

However, should the temporary help employee be required to travel beyond the parameters stated above, the following will apply:

The Contractor will be reimbursed its authorized travel and living expenses reasonably and properly incurred in the performance of the Work, at cost, without any allowance for profit and/or administrative overhead, in accordance with the meal, private vehicle and incidental expenses provided in Appendices B, C and D of the *National Joint Council Travel Directive* and with the other provisions of the directive referring to "travellers", rather than those referring to "employees".

All travel must have the prior authorization of the Project Authority.

All payments are subject to government audit.

Estimated Cost: \$ \_\_\_\_\_

#### 1.4 Premium for Bilingual Services:

In those circumstances when the services of bilingual personnel are specifically requested by the Identified User, the Offeror will add a premium of \$0.55 per hour on the firm hourly rate applicable to the classification requested. Should the Offeror not specify a bilingual staff member, it will be presumed the services will be unilingual English only.

#### 1.5 Overtime

The overtime multiplier should be identified on the appropriate location of the spreadsheet but will not be used in the evaluation. The overtime multiplier will be identified in the catalogue for overtime situations and to break "ties" to rank firms with the same firm hourly rates. The overtime multiplier is that quoted number which when multiplied by the firm hourly rate for any classification will yield a bill rate in situations when a Project Authority has specifically authorized overtime as applicable to the Province/Territory where services are provided. The overtime rates will be calculated by multiplying the overtime multiplier

by the firm hourly rate for the classification provided. The overtime multiplier must not include any element of overhead and profit, but confined solely to the increase in wages and employer contributions.

Example:

Firm hourly rate: \$20.00/hour

Rate exclusive of overhead, profit, benefit, etc.: \$15.00/hour

Although employee gets 1.5x their rate for overtime the overtime multiplier would be 1.125 not 1.5. The Standing Offer Authority will be performing periodic audits to ensure that the overtime multiplier is less than 1.5.

Overtime rates can only be paid for time worked at the given assignment in excess of the hours stipulated by Provincial/Territorial Legislation per week (and/or per day). For the purposes of calculating overtime, the week begins on Monday. All overtime requires the prior approval of the Project Authority and no other reason will justify billing at the overtime rates.

#### **1.6 Statutory Holidays/Annual Leave/Sick Leave:**

Statutory holiday pay is the sole responsibility of the Offeror.

Federal government offices are generally closed on: New Year's Day, Good Friday, Easter Monday, Victoria Day, Canada Day, Civic Holiday, Labor Day, Thanksgiving Day, Remembrance Day, Christmas, and Boxing Day.

Canada will not accept any charges for statutory holidays or annual leave or sick leave incurred by the Offeror as a consequence of satisfying the terms of the resulting Call-up.

#### **1.7 Family Day:**

Family Day is observed as a public (or statutory) holiday in the province of Ontario and is held every year on the third Monday of February. This is an Ontario provincial holiday that the Federal Government of Canada has not adopted and, as a result, all Identified Users are reminded that it is the right of the Standing Offer Holder to decide if their resource will or will not work on "Family Day". If a resource reports to work on that day, Standing Offer Holders will be paid at the regular firm hourly rate, as the Standing Offer does not provide for premiums to be paid to Standing Offer Holders for work on statutory holidays. As a result, Identified Users must confirm with the Standing Offer Holders before the resource reports to work on "Family Day".

#### **1.8 Interview fees for administrative support categories only:**

Canada has the right to request an interview for temporary help employees. Normally, interviews are not necessary for employees in the Administrative Support category because offerors have already carried out a selection process using interviews and tests. When an Identified User invites an administrative support candidate to an interview, the Offeror will charge the department or agency the equivalent of four (4) hours of work, at the rate established for the level in question. In this situation, the Identified User will issue a call-up and sign the time sheet.

Interviews required for other categories will not be charged under the Standing Offer. It is the duty of a Standing Offer Holder to find up to three (3) of the best qualified employees available to meet the requirements. In these categories, Standing Offer Holders will provide résumés or work samples of the proposed personnel and the Project Authority will be entitled to one (1) interview for up to three (3) candidates, at no charge.

#### **1.9 No charge for Unsatisfactory Services Reported within first four (4) hours:**
