ADDENDUM # 2

Subject: Request for Proposals T8080-150253-Winter berthing of the Princess of Acadia

Further to the above-mentioned Request for Proposal, this Addendum (#2) is to advise potential bidders of the question(s) received during this tender call to date and the response(s) are indicated in the attached *Annex A-1*.

No consideration will be given for extras and/or changes because the tenderer was not familiar with the contents of this Addendum.

Tenderers are to acknowledge this Addendum by signing in the space provide below and enclosing a copy of this document with their proposal

All other terms and conditions of the Request for Proposals remain unchanged.

Tenderers are to acknowledge this Addendum by signing in the space provide below and enclosing a copy of this document with their proposal.

All other terms and conditions of the Request for Proposals remain unchanged.

Yours truly,

Peggy Miller

Q. Can Transport Canada provide the current tank sounding tables and a tank plan?

A. Tank soundings were taken on October 1, 2015. As shown below, the total fuel on board is 20,865 gallons and the total lube oil is 562 gallons. The tank plan is attached.

Fuel		
Tank	Height (feet)	Volume (gallons)
Main Bunker	2'6"	9,866
Port Service	5'8"	5,666
Starboard Service	5'4"	5,333
Total		20,865 gallons
Lube Oil		
Tank	Height (feet)	Volume (gallons)
Forward Tank	2'9"	478
Aft Tank	6"	84
Total		562 gallons

Q. Transports Canada peut-il fournir les tableaux des niveaux actuels, ainsi que les plans des réservoirs?

R. La pige des réservoirs a été effectuée le 1^{er} octobre 2015. Comme indiqué ci-dessous, la quantité totale de carburant à bord est de 20 865 gallons et la quantité totale d'huile de lubrification est de 562 gallons. Le plan du réservoir est joint au présent document.

Carburant		
Réservoir	Hauteur (pieds)	Volume (gallons)
Soute principale	2'6"	9866
Service bâbord	5'8"	5666
Service tribord	5'4"	5333
Somme		20 865 gallons
Huile de lubrification		
Réservoir	Hauteur (pieds)	Volume (gallons)
Réservoir avant	2'9"	478
Réservoir arrière	6"	84
Somme		562 gallons

Q. Can Transport Canada please provide all piping diagrams for the MV *Princess of Acadia*?

A. Electronic drawings for the vessel are limited and we do not have any showing the piping layout. That said, drawings of the vessel's systems and the overboard valves are expected to be on board. Potential suppliers will have the opportunity to view the vessel on October 7, 2015.

Q. Transports Canada peut-il fournir tous les schémas de la tuyauterie pour le NM *Princess of Acadia*?

R. Les dessins électroniques pour le navire sont limités et nous n'avons pas de dessin présentant le schéma de la tuyauterie. Cela étant dit, des dessins des systèmes du navire et des vannes des événements devraient être à bord. Les fournisseurs éventuels auront l'occasion d'inspecter le navire le 7 octobre 2015.
